Register on the site of Academic Software - search for software

After clicking on the button Academic Software at the starting point, you will arrive at the application page of Academic Software.

At the top, you can change the language, e.g. to English.

Enter your VIVES account here and click on 'Login'. Your VIVES account is the r-number you received at registration and can be found on the back of your student card.

Then click on 'Shibboleth' on the left side of the screen.
You will be redirected to the association login page where you will re-enter your VIVES account (r-number) as well as the password that you have set for your VIVES account.

Then press 'LOG IN'.

You are now logged in to Academic Software.

All packages that are available to you can be found on this page.
If you want to search for a package immediately, please use the search window at the top. It will immediately be filtered based on your search term in the view. Below is an example of how you can find Office 365.

If you click on the tile, you will get the general information about the package, the installation procedure and the download files and/or links. You will also receive information about support.
